MISSION STATEMENT

The goal of Project Cameron's Story is to support the bonding of parents with their premature babies in the Neonatal Intensive Care. We strive to empower parents to form unique and profound connections with their babies within an environment that is often uncertain and intimidating. Our mission is to place brand new, quality, children's books in the hands of every parent of a premature baby upon admission to the NICU.

We, at Project Cameron's Story, are committed to providing information regarding the benefits of this type of bonding and continue to seek ways to encourage parents to utilize this as one important way to interact with their new little one.
